## Local directions

The **Institute main building**, which includes the **Newsam Library**, is at **20 Bedford Way** (location **A**: centre of the map overleaf). The nearest Underground station to the main building is *Russell Square* (Piccadilly Line). On leaving the station in Bernard Street, cross straight over the road and turn left. After 175m go straight over the traffic lights at the corner of Russell Square (Russell Hotel on your left), then after 90m turn right into Bedford Way. The IOE main entrance is 90m on the left.

Most other Institute buildings (see map overleaf) are within 90 metres walk across the pedestrian area behind the main building, apart from the following (for which walking routes are shown on the map):

- Some **administrative offices** are at Whittington House, 19-31 Alfred Place (location **H**: centre, left on map). Nearest tube is *Goodge Street* (Northern Line).
- The **London Knowledge Lab** (LKL), 23-29 Emerald Street (location **I**, bottom right). Nearest tubes: *Russell Square* (Piccadilly) and *Holborn* (Piccadilly & Central Lines) - off bottom of map.
- The **London International Development Centre** (joint with other Bloomsbury Colleges), 36-38 Gordon Square (location **X**, top, centre of map). Nearest tubes are *Euston* (Northern & Victoria Lines) and *Euston Square* (Circle, Metropolitan and Hammersmith & City Lines) – top of map.

**Travel guide** (Note: for online travel information, including maps, visit <http://www.tfl.gov.uk/> )

**By bus** Connections are excellent: Euston Road, Gower Street, Tottenham Court Road and Southampton Row are all major bus routes that are marked on the map.

**By car** Nearby car parks are shown on the map. Note: we regret that we cannot provide general parking facilities on any Institute site. IOE is inside the TfL Congestion Charging Zone.

**By Underground / National Rail** There are 8 Underground stations within a few minutes walk.
